

A photograph of a river cruise boat on the Seine River in Paris. The boat is modern, with large glass windows along its side and a glass-enclosed upper deck. It has the word "Oryx" printed on its side. In the background, a large stone arch bridge spans the river, with several cars driving across it. The water is calm, reflecting the light of the setting sun.

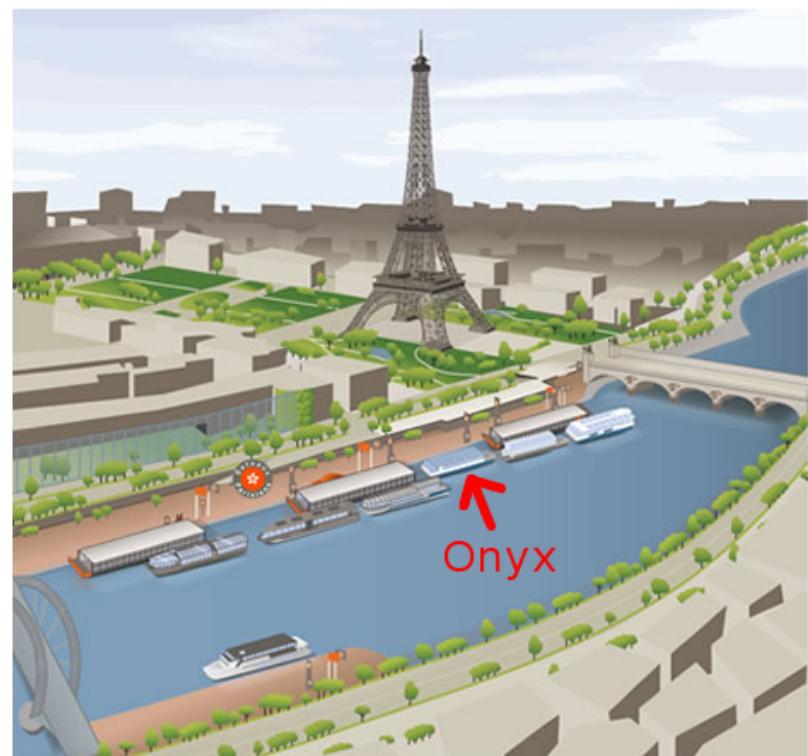

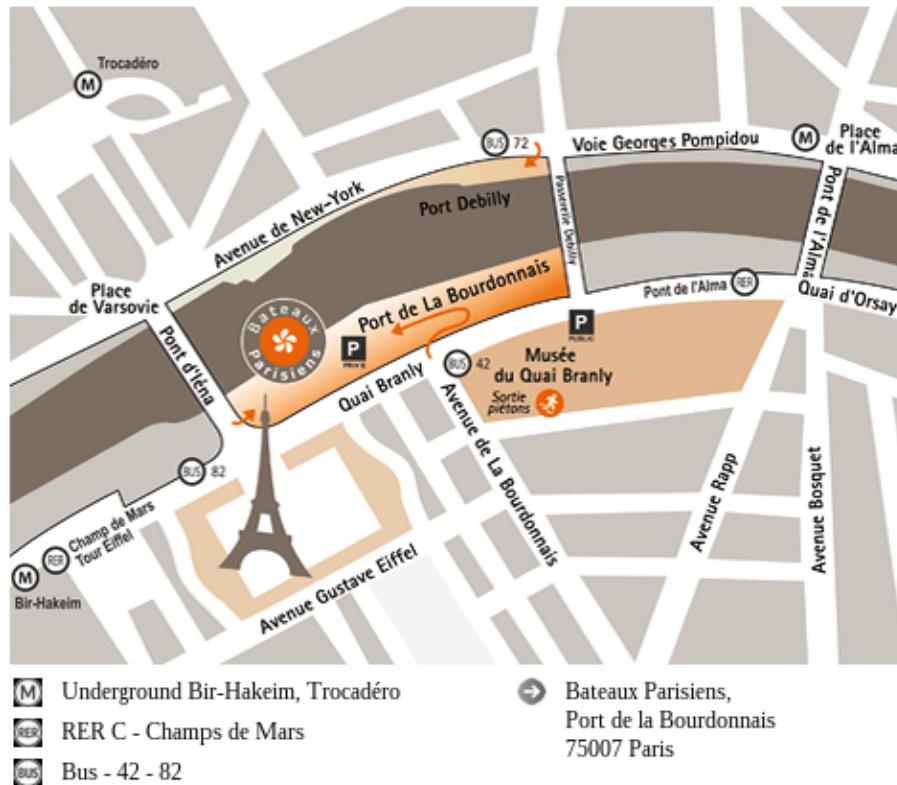

**Euro LLVM 2013 dinner**

Thanks to our dinner sponsors !

ARM & Qualcomm
